

Mums and Dads

you could each be **saving up to £933* per year on your childcare costs.**

If both parents are part of a scheme this could mean a family saving of up to £1866* per year.

Where an employer offers support for childcare (this could be through vouchers, contracting direct or providing workplace childcare) both you the parent and your employer can benefit from tax and NI exemptions. The Early Years and Childcare Sufficiency Team within Cambridgeshire County Council can help any Cambridgeshire employer to implement a scheme.

What do I need to do?

By giving us your employer's contact details below, we can approach them and set the process rolling for you.

If you require further information please contact us on 01223 507125

Please complete the slip and return it to us at:
