

**1140/ THE PAPWORTH VILLAGE SETTLEMENT ARCHIVES:
APPENDIX 14**

**1140/52/2/27 J D COLLENS, AMATEUR PHOTOGRAPHER: NUMBERED
SERIES OF NEGATIVES, 1938 - 1960**

Collens described and numbered his negatives in a series of 1315 packets. The main group of the 4187 negatives described below (together with the 46 contact prints filed with them) was stored in four wooden boxes. A further group of packets (397) was received boxed with lantern slides from the hospital (ref. 1140/25/1/). These have now been restored to this series, and the entire surviving series of packets (there are a number of lacunae) repackaged in archive boxes. The packet numbers of the 397 strayed packets are as follows:

225
644-647, 651-652, 660, 667
758-759, 765-766, 775, 778, 781, 791-792, 795-799
803, 805, 808-809, 817, 821-834, 843, 852, 858-860, 867-893,
895, 898
908, 918, 923-924, 936-946, 949-951, 953, 958-959, 963-964,
967-979, 981, 983, 990, 993-994, 999

They are identified in the list below with an asterisk following the packet number.

The list below gives Collens's packet numbers, and, within single inverted commas, his descriptions, amplified as necessary in plain text from study of the photographs. Dates are those ascribed by Collens
