i) at the heart of their church ii) attached to their church iii) known to their church. Within each of these categories applicants will be prioritised as follows:

Guideline definitions for Referees

- Applicants for a Church priority place are asked to identify themselves as being: known to the church; or attached to the church; or at the heart of the church. The period in question would normally (we suggest) be the past two years. Applicants new to the area would need to provide evidence from a previous church or churches.
- An applicant 'known to the church' would not be a frequent but probably an occasional worshipper, someone who is perhaps known through a family connection, or one or more of whose family would be involved in some church activity, such as a uniformed or other church organisation.
- An applicant 'attached to the church' would be a regular but not frequent worshipper, by which is meant (for example) one who usually attends a monthly family or church parade service or is regularly involved in a weekday church activity including an element of worship.
- An applicant 'at the heart of the church' would be a regular worshipper. We suggest that this might normally mean one who worships usually twice a month. To accommodate difficult patterns of work and family relationships account should be taken of week-day worship. The worshipper could be the child for whom application is made or one or both parents.

Please return the completed form to the parent for enclosure with their application. Thank you for your help.

In order to be considered for admission under criteria 3, 4, 7 or 8, please enclose with your application a completed copy of the attached form.

For this purpose, your Church will be determined as Christian

Either:

If it belongs to a denomination which is a member of Churches Together in Britain and Ireland

Or:

it is recognized by that organization

For this purpose, attendance will be determined as regular if:

Your Minister has certified that the child and parent or guardian have attended worship or Junior Church at least 25 times in the last year, or

Exceptional circumstances have prevented this, but there is evidence of an equivalent level of attendance.

- Examples would include:
- Recent relocation, but attendance at both venues equates to at least 25 times in the last year
- Serious illness or incapacity of the child or parent/guardian, but prior to that attendance has been at least 25 times in the year
- If the child's parents are separated and visiting rights have prevented attendance, but the child has attended an alternative activity with a significant element of Christian teaching or practice
