

Priority 4 Countywide action plan

To meet the needs of children and young people in areas of growth or demographic change

Partnership Priority lead: Adrian Loades, Service Director: Strategy and Commissioning, Cambridgeshire County Council.

Objective	Key actions	Key people	Progress measured by	Resource/funding
<p>1. Ensure that children and young people are part of the vision for new communities</p>	<p>Conference to be held to identify the views of partners and to begin to identify the actions that can be taken.</p> <p>Discussions with the wider CYPSP and other partnerships e.g. Cambridgeshire Horizons to identify understanding and commitment to the needs.</p>	<p>Adrian Loades, Director Strategy and Commissioning, CYPSP</p>	<p>Conference report available May 2009</p> <p>Discussions with partners by August 2009</p> <p>Full action plan developed by September 2009</p>	<p>To be established</p>
<p>2. Develop a framework by which to assess the potential needs of children and young people and map the types of services and levels of provision that will be required. This will involve examining the learning gained from previous new developments</p>				
<p>3. Work to seek services are in place in the early days of a new community</p>				
<p>4. Ensure that there is a joined up approach to planning and securing provision for children, young people and families in new communities</p>				
<p>5. Plan and secure provision which is focused on social capital and promoting social cohesion, as well as physical infrastructure</p>
