

# Access to the countryside How much do you care?

Did you know there are over 3,000 km of public paths and 900 hectares of open access land in Cambridgeshire?

- Do you use them?
- Would you like to use them more?
- Would you like to see them managed better or differently?

The Local Access Forum, an independent advisory group, was established in 2003 to provide help and support to Cambridgeshire County Council and its partners on countryside access issues.

**Do you want to help shape the future of countryside access?**

**Everyone has something to contribute**

---

**Why not apply to be a member of the  
Local Access Forum?**

To find out more and obtain an application pack, please call **01223 715558** or download one at [www.cambridgeshire.gov.uk/laf](http://www.cambridgeshire.gov.uk/laf)

**Closing date for applications is Friday 20 March 2009**
