Fancy a holiday at the seaside? Our spacious 8-person holiday home at Heacham beach on the beautiful Norfolk coast could be just what you're looking for.

## Welcome to our holiday home

Our holiday caravan is spacious and very well equipped. With one double and two twin bedrooms, plus a further double bed in the lounge area, it comfortably sleeps eight people and includes a modern kitchen (complete with gas hob and oven, microwave, toaster, fridge, kettle and ample storage space), comfortable dining area, shower room and separate toilet.

A ramped walkway makes getting in and out easy and with duvets and pillows provided all you'll need to bring is bed linen and towels, tea towels and towels for the beach.

## Relax at the Heacham Beach Holiday Park

There's a lot to do right outside your front door on the Heacham Beach holiday park – an indoor swimming pool with slides, paddling pool, multi-sports court, food bar, boathouse tavern, convenience store – and more. Evening entertainment is laid on during peak season and over Bank holidays.

**'I enjoy swimming in the pool!'**

## Explore the beautiful Norfolk coast

With the sea on your doorstep you may not need to stray too far from Heacham beach, but if you want to explore there's lots to see and do on the beautiful Norfolk coast. Why not enjoy the traditional seafront attractions on the promenade at Hunstanton, the Georgian elegance of King's Lynn or historical Wells Next The Sea? Nature lovers will enjoy the many coastal walks and the famous Norfolk Lavender farm. Sports enthusiasts will find fishing, mountain biking and golfing facilities nearby.

Other local attractions include:

- The rural Georgian town of Holt – with plenty of unusual shops and places to visit
- Titchwell nature reserve
- Castle Rising – one of the most famous 12th Century castles in England
- Sandringham House and Parkland
- Blakeney Point – a picturesque harbour and boat trips to spot the seals off the Point

## Cambridgeshire Mencap

We're a local charity. We support children, young people and adults with learning disabilities in lots of different ways. Our services include supported living, access to enjoyable community activities and training. We also support parents and carers, providing them with information, advice on relevant issues and backup when they need a rest. We rely on volunteers to help deliver our services and welcome those who want to make a positive difference.
