

Safer Routes to School (SRTS) Calling all Schools

Do you want to:

- encourage your pupils to walk and cycle to school?
- be proactive about the traffic/congestion around your school?
- access **SRTS** specific educational resources?
- help your pupils to be healthier, more independent and environmentally friendly?
- access additional funding?

If the answer is yes, then you need to apply to the County Council's **Safer Routes to School** Project.

"It has been very valuable for us to be involved with SRTS and it has helped to keep us focused on encouraging walking to school and reducing car usage."

South Cambs School

"SRTS has helped us to set up a walking bus, so parents can drop off children without having to go into the village centre."

Huntingdonshire School

We are now inviting applications – don't let your school miss out!
