Dear Applicant,

Cambridgeshire Local Access Forum

Thank you for your interest in the Local Access Forum for Cambridgeshire and I am pleased to be able to send you the enclosed application pack. The pack includes;

- An application form
- Terms of reference
- General information on LAF
- Frequently asked Questions
- Details about expenses
- LAF Annual report for 2009-10
- Pre paid envelope (where requested by post)

We have tried to keep things simple, and hopefully there will be enough information here to help you decide whether to apply for a place on the Forum. The Forum is a statutory advisory body to the County Council. Successful applicants will shape and inform the Forum's work as it develops over the next few years.

We currently have vacancies on the Forum and we want to encourage people to apply in order to get the best representation and debate as possible. Forum Members views really do count!

The Forum has its own Secretary to administer meetings and to carry out research, report writing and analysis on behalf of the Forum.

If you would like more information please call us on 01223 715 350 and we will do our best to help. If you would like further information packs, let us know and we will post one out or you can download one from the website:

www.cambridgeshire.gov.uk/environment/countryside_and_rights_of_way/getting_involved

Thank you for your time and effort and we look forward to receiving your completed application form.

Yours sincerely

Kate Day
