

## **How do I contact my supervisory body?**

There is a partnership agreement between Cambridgeshire County Council (CCC) and NHS Cambridgeshire to jointly discharge part of their statutory duties as Supervisory Bodies under the MCA DOLS legislation. The term DOLS Office is used where this Partnership delegates duties to the DOLS Office. Many of these duties will be carried out or organised by the DOLS Office on the supervisory body's behalf. The DOLS Office will provide a single direct point of contact, and consists of Service Administrators, Best Interest Assessors and the County MCA Coordinator.

The office is staffed: Monday to Friday 09.00 hrs – 17.00 hours  
Please note the office is closed on bank holidays.

Out of office hours an answer phone is in operation, and applications can still be sent by fax or e-mail.
