The library at home service provides books / audiobooks to housebound library members.

Volunteers visit once a month to bring and return library books and to have a chat.

**Cambridgeshire Library Service needs you!**

**Can you spare an hour or two once every month?**

We are always looking for friendly volunteers who can spare a few hours each month to help us deliver this much valued service.

If you are interested in becoming a volunteer please contact us by any of the ways listed overleaf or just ask in your local library.

If you can’t come to the library,

**We can come to you**
Are you having difficulty getting a library due to your health or full-time caring responsibilities?
