The Cambridgeshire and Peterborough Against Scams Partnership (CAPASP) is a partnership of public, private and voluntary sector organisations committed to working together to stop scams and doorstep crime across the county.

**Scams are fraud and fraud is a crime.** Each year, scams cost the UK economy £5-£10bn. In addition to the financial impact, scams can have a severe emotional and psychological impact upon victims.

By sharing knowledge and developing solutions together, we aim to make Cambridgeshire and Peterborough a safer place for all of our residents. For further information, visit our website above, or follow us on Facebook or Twitter.
