IN-HOUSE TRAINING

All our bespoke in-house training, packaged course materials, learning and content is shaped and targeted to make it personalised to the work you do. In addition to a totally personalised training event, attendee numbers at bespoke events are only limited by the size of venue provided in-house, the responsibility for which lies with the commissioning organisation.
Further support can be offered to help customers meet the Key Lines of Enquiry (KLoE) outlined by the Care Quality Commission (CQC). Thus helping to keep you and your staff fully compliant with the very latest developments in the Care Act with safeguarding adults and the MCA and DoLS.

All bespoke learning and development services in this area come at outstanding value at only £300 a day for smaller organisations that operate in Cambridgeshire and Peterborough (£400 for larger organisations that have services outside of these regions). This includes access to free expert consultancy and support on how to apply the Making Safeguarding Personal approach and the MCA and deprivation of liberty in your practice.

Safeguarding Adults

Training for frontline staff
The half day Making Safeguarding Personal course can be accessed in-house allowing you to run 2 sessions in a day at no extra cost. This course can either serve as a refresher for frontline staff or as introduction to the Making Safeguarding Personal approach to ensure this is embedded in all areas of health and social care and especially when dealing with adult safeguarding concerns.

Training for senior staff
The more advanced workshops, can be tailored to fit in with your learning and development needs on request. These courses are appropriate for all senior staff working in any sector with adults with care and support needs who have supervisory responsibilities which may include, but are not limited to:

- Writing or updating policies and procedures related to Safeguarding Adults in line with CQC/commissioning demands
- Responsibilities for Safeguarding Adults training needs for the staff team in line with the Care Certificate
- Point of contact for initial safeguarding concerns and ensuring the Making Safeguarding Personal approach has been applied
- Promoting the wellbeing of adults with care and support needs
- Adopting a positive working culture within the workplace
