How places were allocated
The coordinated scheme for school admissions aims to offer parents the highest ranked preference it is possible to meet. This means that if you have been successful with your 1st preference school, any school ranked lower on your application will not have been considered.

All school places were allocated in accordance with the over-subscription criteria for each school, details of which can be found in our published Admission Guide available at www.cambridgeshire.gov.uk/admissions.

Cambridgeshire Schools with Places Remaining
If you wish to find out which Cambridgeshire schools have places remaining following the allocation process please visit our website at: www.cambridgeshire.gov.uk/admissions or contact the Admissions Team

Over-subscribed Cambridgeshire schools
Detailed below are two tables containing the allocation information for Cambridgeshire schools that either received more applications than places available, or no longer have places available after the allocation process was completed. On time applicants were considered before late applications, as detailed in the First Steps booklet.

The first group of schools are those where places have been allocated until the Published Admission Number (PAN) had been reached. If you have been unsuccessful in gaining a place at one of the schools in this list you are entitled to an Independent Appeal against this decision.

The second group of schools, shown below and overleaf, are those where, in addition to the PAN being reached, the reception class(es) has also reached its legal Infant Class Size limit of 30 pupils. This limit, under current legislation, cannot be exceeded. If you have been unsuccessful in gaining a place at one of the schools in this list you are entitled to an Independent Infant Class Size Appeal against this decision.
