Funding for 2012 to 2015

Cambridgeshire County Council was awarded £5 million from the Government's Local Sustainable Transport Fund (LSTF) for sustainable transport in Cambridgeshire which was used to reduce congestion and help improve journey choices.

The Government's £560 million Local Sustainable Transport Fund (LSTF) programme was available from 2012 to 2015 for packages of transport measures focused on economic growth and reducing carbon emissions. Our bid was developed with a wide range of partners from across the public, private and third sectors, and focuses on improving links to transport interchanges and corridors, improving links to employment areas and targeted marketing and information. The full funding bid can be downloaded below.
