Is your child's school closed?

Please note this is not a live update of school closures.

Schools will only close in exceptional circumstances and each will make the decision individually, before the start of the school day.

If a single school is closed, the school will communicate with you directly.

In the event of poor weather, or any other situation affecting multiple schools, we will collate information from all schools and will update this page as soon as possible. However, the quickest way to find out if a school is closed will be to check the school's own website, Parentmail or other communications.

BBC Radio Cambridgeshire, Heart Radio Cambridgeshire, Star Radio and KLFM 96.7 (Wisbech) radio stations will also report school closures due to snow.

Statuses explained

- **Blank:** the Council has not received any information. It is recommended that you contact your child's school directly
- **Partially open:** please contact the school for further details
- **Closed:** school has reported to be closed

Please **refresh this page** frequently to ensure you are viewing the most up-to-date information.
